TAPPING THE

K.E.G.S.

KOMPUTER ENTHUSIASTS OF GREATER SEATTLE

Prez Says:

Gerald Smith

Welcome to another Vaccine month! The North Bellevue Community Center is closed for evening meetings in May. I hope sometime later this year we will be meeting in person again. Please encourage your family and friends to get vaccinated.

Our monthly General Meeting will be on Monday, May 9th, via Zoom. This month's program will be "Cutting the Cord: Watching TV (Legally) Without Cable" presented by Rob Truman, Bill James, and Sandee Ruth. Have you wanted to cut the cord? Pay less money each month for the programs you want to watch? Don't know how to do it? Afraid to take the leap? Rob will help us discover our options when it comes to living without a cable bill each month. We will learn how to use our Internet connection for all our viewing needs, including cable, local, premium, music, and sports channels. Rob will be joined by Bill James and Sandee Ruth, talking about how they cut the cord and are enjoying it!

We always need more members, so please let others know about the informative Zoom meetings we have monthly and all of the free help we offer.

Plan to attend an ACPUG workshop or conference online. [If you would like to attend a Zoom meeting of a computer club in another city, go to https://apcug2.org/group-sharing-meetings/.](https://apcug2.org/group-sharing-meetings/)

Remember to back up your computers and disconnect any backup storage device from the internet once you have done your backup.

I am still hopeful that we will be able to have our popular KEGS Auction sometime later this year. Please keep KEGS in mind for a donation of your no-longer-used devices. Yes, KEGS is a 501(c)(3) nonprofit organization.

Get vaccinated. Stay home and keep safe.

Gerald Smith — President
